 - Could also divvy up amongst teams and have them buy to sell
 - Leftover paper products can be used next year
- Would we want to host state again?
 - It would get easier since we have the 1st one under our belt
 - Large profit for a single-day event

NEW ITEMS/QUESTIONS:

- IGNITE 2022 – Sparks & Oxriders, “Road to Destination Inclusion” – June 25th
 - Annual training conference
 - Registration opens on May 1
 - Michelle will forward info once available
 - Look into whether we could do one large donation to allow as many CDI folks who want to access it
- Bylaws need amended (ex: CEF notation – Article XI ASSETS, Section 1) – volunteers to review / committee?
 - Put on agenda for next month
 - This would be a summer project
 - 501c3 means you have to pay taxes
 - Would have to have an accountant on the board or pay out for one
 - Should also take this time to review whether we should become a 501c3
 - There is an anonymous donor who wanted to donate \$5k to CDI, but it HAS to go to a 501c3, so there is no way for us to accept the money
 - Idea for future: Create a scholarship for Globals
- Globals Support
 - Bylaws vs State emails vs Statement at Awards
 - Review team proposal (recusal bylaw Article X VOTING, Section 5 – Conflicts of Interest)
 - Increase support using portion of State proceeds?
 - If we add another \$1800 to our support, it ends up being around \$200 more for each person going
