Dress Rehearsal:

- Volunteers need to sign up by Tuesday. <https://www.signupgenius.com/go/10c0f44aba72ba5ffc70-dress1#/>
- Harry coordinating: 5 extension cords, masking tape, and string (with tape measure). Engineering TMs should have string, so this string is just back up.
- Michelle coordinating with Laura/Jose about pin sales/tables.
- Rebecca and Preeti are printing out challenge site materials - announcer cards, a copy of each challenge, etc...
- If the schedule changes, please let Michelle know because it's posted on the website, and she'll need to make the changes there.
- High school volunteers can get service hours by volunteering; Michelle and Harry will sign some forms, and provide service hour certificates at each check-in location, so volunteers just need to mark their hours and have someone initial it.
- Announcer cards or print outs should be in boxes.
- Michelle will mention to the parents at her meeting this week about the potential to park at the Korean church next door to Magsig. Service is on Saturday, so shouldn't interfere.

Dissert Banquet:

- This year Dissert banquet will be at PVS for more seating, at the dress rehearsal people will see that in print. Deb is working on putting together information for a 3/5 blast. Photos for the slideshow will go to Morgan Lehman.
- TMs will get team pictures digitally, so that they can include them on the tournament data form if desired.

Cords for graduating seniors:

- Motion was made by Sheila and approved by Harry to order 25 cords for graduating seniors, plus box/ball + DI charms. This should be enough for the next 5 years or so. Everyone voted in favor. Michelle will get that in motion, so that ideally, the cords can be presented to seniors at the Dissert banquet.

Update: Cords were ordered on February 26th & have now shipped. NH has enough pins available & requested payment by check; Harry put that into the outgoing mail today. NH is aware that we have a deadline.
