

Destination Imagination (DI) is an academic, school-based program that promotes the teaching of creativity, problem-solving, and teamwork among students of all ages. DI is active in almost every state and over 30 countries, equipping students with invaluable 21st century skills needed to succeed in school, career, and beyond. This year we are celebrating 40 years of creativity in Centerville!

Working under the guidance of volunteer managers, teams develop solutions to their STEAM-based challenges and are given the opportunity to test their creative results against other teams. Over 300 students will participate in a regional competition to be held in March 2023 at Sinclair Community College; and over 4,000 attendees will be at the State Tournament. During these tournaments, each student (and some family members) will be wearing a Centerville DI t-shirt – what great publicity!

We are looking for sponsors to help defray the cost of t-shirts & raise money for our program.

The Centerville DI Parent Support Group, Inc, is a **501c3 non-profit organization** that helps Centerville students while they build confidence and develop extraordinary creativity, critical thinking, communication, and teamwork skills. If you or your company contributes **\$250** to Centerville DI PSG, your company name / logo will appear on our shirts as a proud sponsor of our program, and you'll also receive acknowledgement on our website at www.centervilledi.com.

Not only will your contribution go a long way in supporting this worthwhile program, but your company will also receive advertising on shirts that will be seen at the Regional, State, and Global level (in May in Kansas City). Donations, completed forms, & logos can be given to the DI participant who contacted you; mailed to: "Centerville DI PSG, 10809 Meadow Hawk Ct, Centerville, OH, 45458"; or emailed to centervilledi2@gmail.com. **A receipt will be provided for tax purposes.**

~ Thank you for your support of these creative and innovative Centerville students! ~
